Parent Comments

- Parent paid \$2 per session for trainer for son; doesn't understand why our fees would be so high
- Fieldhouse available year-round? Yes
- Would like to see line items and choose what they want
- Let teams choose what benefits they want
- Club is fantastic as it is
- Love what the club has done for the community
- Fee feels like a lot for certain age groups
- Can we find a balance, not interest in video
- Would club be open to independent teams?
- Get sponsors to help teams
- Fundraisers are available
- Recommendation to give coaches full fee refund, assistant coaches and manager 50%
- Want a business plan and breakdown of fees
- Indoor facilities are limited
- What other surprise fees are coming? Ref, trainer, etc
- Why mandatory trainers – what are the requirements for trainers
- Pick top 1-2 benefits and increase as we go
- Benefits of trainers are uniformity throughout the club
- Would like to have trainer come to 1-2 games or use video to help team
- What is the end goal?
- Could we have a graduated fee schedule implementation?
- Want options to choose from
- Can we level tryouts (Would like to, it is best for all players all around, but hard to implement in a small community like ours)
- Get sponsors (like Proctor and Gamble)
- Age limit changes will be implemented in newly created teams only
