

BE UNITED BOARD MEETING MINUTES

Time: September 21, 2023 9:00PM

Location: Fieldhouse

MEETING AGENDA:

1. Welcome and Public Comment
2. Acceptance of Meeting Minutes – Approved
3. Recreational Program – Board agrees that the recreational program would be beneficial for the club and for the community. Jared Steed, Danielle, BJ, and Devin met to discuss next steps and finding a good move forward with working with the high school program. The program will be introduced in Fall 2024.
4. Tournament – Danielle reported progress. Working on getting a new logo. Kanga will be doing the medals and pins this time. Goal is to double the size of last year.
5. Fieldhouse Schedule – Danielle will be getting the schedule out in the next few weeks to the coaches. Will try to rotate those that have to have the Friday slots from year to year. Jared Steed thought having coaches submit their top three choices would be a good idea.
6. Parade – Jessica reported that the parade went well. Suggestions for next year: use a rope to keep the front of the group back from the group in front of us. Everyone agreed that we like just being a walking group, less liability.
7. Next Meeting: October 19, 2023 @ 8:30PM
8. Adjournment: Meeting was adjourned
